

**A**

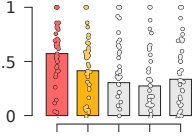

Rank correlation  
between true and  
inferred covariances  
(Spearman's  $\rho$ )

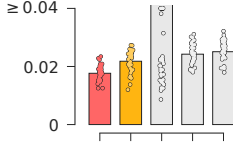

MAE of recovered  
covariances

**B**

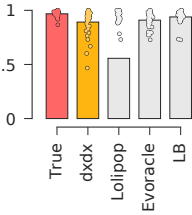

Rank correlation  
between true and inferred  
selection coefficients  
(Spearman's  $\rho$ )

MAE of inferred  
selection coefficients

**C**

Rank correlation  
between true  
and inferred fitness  
(Spearman's  $\rho$ )

MAE of inferred  
haplotype fitness
